

Glorious Temples of Coastal Karnataka

A Visual Pilgrimage through 6 Sacred Shrines

Dear Friends,

Video offering titled:

“Six Famous Ganesha Temples and Sacred Shrines of Coastal Karnataka”

These short, devotional videos are based on the free illustrated ebooks which were compiled by me earlier on these historic temples. With the help of supportive ChatGPT - AI, I was able to transform those ebooks into short, audio-visual experiences — combining text slides, temple images, and instrumental bhajan background music. Each video is 4–6 minutes long and ends with a link and QR code to download the free ebook.

Hope that these videos inspire devotion, preserve our sacred traditions, and help more people discover the divine heritage of Karnataka.

May Lord Ganesha and Lord Shiva bless us all.

Warm regards,
